A scenic landscape of Yellowstone National Park. In the foreground, there is a field of dry, yellowish-brown grass and shrubs. Behind it, a dense forest of green evergreen trees covers the lower slopes of a mountain. The background features a prominent, rugged rock formation with a tall, narrow, vertical spire. The sky is clear and blue. A semi-transparent teal box with a white border is overlaid on the left side of the image, containing the text 'Yellowstone National Park' in a bold, red, sans-serif font.
